1. **Call to Order**

2. **Intro**
   - Friends of Parkland Way is the school's non-profit fundraising society. The money raised from the society goes directly back to the school and students. Last year we funded the new outdoor learning space and playground, hip hop residency, maple sugar shack, school supplies.
   - We were incorporated in 1998. Any person who is a parent or legal guardian of a student currently enrolled in Prince of Wales Elementary School… is a member of the society.
   - That being said, we are looking for members to actively join and help. The following positions are open and we are looking for volunteers:
     - Society Chair
     - Casino chair
   - Positions to be voted on at today's meeting
   - In addition to these roles we are always looking for people that would like to help with our fundraisers.
